# ADPIE1ILAN4

## Industrial and Embedded GEN3 Daughter Board
## 4 Intel i211-AT LAN / PCI Express x1 / WoL

## Features

1. Embedded GEN3 Daughter Board for Networking with Planned Lifecycle Through Q1'2019
2. 4-port Intel i211-AT Gigabit LAN
3. PCI Express x1 Interface
4. Supports Wake on LAN S1/S3/S4/S5
5. Pericom PI7C9X2G608GP PCI Express Gen 2 Switch
6. Proprietary Form Factor Compatible with Jetway JBC390 Barebones and NF541 Motherboard
7. Ready for OEM System Integration
8. Compatible with Windows and Linux
9. Dimensions: 74mm x 64.5mm
